

Group 1 spellings 11th March 2021

In class we revised the terms prefix, root and etymology. For your homework you should find the prefixes and the root in the words below and what they mean. Can you find out their origin too?

Find at least three other words to go with each word below that has the same prefix, root or origin.

You will be tested on a selection of words that can be generated using the same prefixes or root as the words below.

autobiography	auto = same/self biography = an account of someone's life
binoculars	autobiography = an account of your own life
archaeology	autopilot
telecommunication	automatic
hydroelectric	automotive
microscope
