

Group 2 Spellings 26<sup>th</sup> November

<u>Root Words</u>	<u>Suffixes</u>
corner	
fasten	
awake	ing
forget	er
begin	en
garden	ed
prefer	
limit	

How many new words can you make using a root word + a suffix?

For example; gardener, gardening, gardened.

Check your spellings using a dictionary. You won't be able to use every suffix for every root word. Write down any rules you notice. You will be tested on the root word + a suffix so you will need to know if the root word changes or not.
