A note from Mrs Peacock

Another busy week has rounded off a very busy term!! Our ambassadors met with their friends from the cluster to make plans for a recycling project later in the year, Years 5 and 6 learnt all about fell rescue with their friends from Kirkby Malzeard, Years 3 and 4 improved their golfing skills and Tigers enjoyed an afternoon in the Forest - we are all ready for a well-deserved break !!!

We are still awaiting the final published report following our OFSTED inspection and look forward to sharing it with you when we receive it next term.

Here's hoping for warm sunny days during the holidays!!!!

Grisedale Fell Rescue

Yesterday the children joined their friends from Kirkby Malzeard School to visit Grisedale Fell Rescue Centre at Grassington.

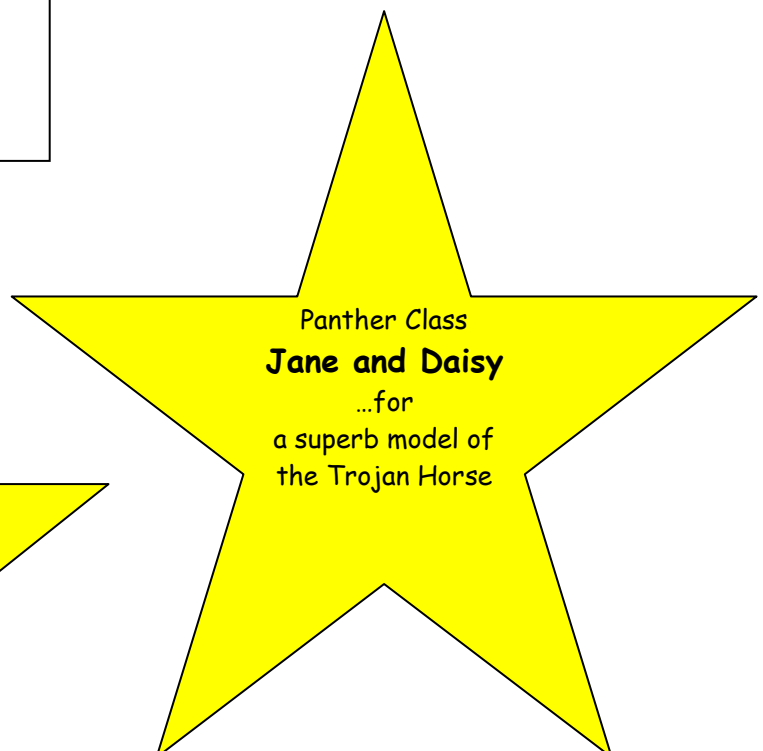

Daisy reports:

We learned how to put injured people onto a stretcher so that they could be taken to hospital safely. We learned how the mountain rescue team is alerted to a situation where someone may need rescuing. It was really interesting learning how to use the rescue equipment.

Headteacher's Award

Millie

...for always being kind and helpful around school

Tri-Golf Festival

The children in Y3 and Y4 travelled to Markington yesterday to participate in a Tri-golf festival alongside children from other local schools. The children not only had fun but were great ambassadors for our school with their exemplary behavior. Well done to everyone who took part with such enthusiasm. Thank you to Mrs McNamara for her help.

CONGRATULATIONS...

...to the Ash family who are the winners of this month's Family Fun Maths challenge.
