Comic Relief – The Power of Funny

Dear Parents/Carers,

Red Nose Day is back on Friday 19th March and this year it's never felt more important to have some fun and raise money to support people living incredibly tough lives. We need the power of funny to turn laughs into lasting change.

As a school community, we want to help make a difference and raise a smile. We are asking the children to come to school dressed in the theme of 'The Power of Funny'. On Friday 19th March, your child needs to come to school in something that will make others laugh. It could be that they wear their clothes backwards or inside out, they could have a funny hairdo or they may have some completely original idea to make their classmates laugh and raise money for Comic Relief. Red Nose Day donations help tackle important issues including homelessness, hunger, domestic abuse and mental health stigma, all of which have been impacted by the Covid-19 pandemic. We are asking for donations to help raise some much needed funds. As we have done previously, we are asking you to donate to our JustGiving page so that we do not need to handle the money in school. The link to the JustGiving page can be found here:

The School Council will be holding a joke competition on the day too. If your child would like to enter, they need to come to school with a joke ready to tell their classmates. The School Council Representatives for each class will judge which joke they think helped raise the biggest smile and a prize will be given to the winning comedian from each class.

There are many ways that you can get involved at home and these ideas are on the Comic Relief webpage. One fun way is to take part as a family and help rescue the nation's laughter. Evil supervillain Doomy McGloomy has stolen the nation's laughter and there are five fiendishly fun missions as a family to rescue it and set it free. Here is a link directly to the page:

We can't wait to have some fun and help this worthwhile cause. Thank you for your continued support.
