Head teacher Sarah Taylor  
BA Hons QTS NPQH

05/1/2021

Dear Parents and Carers,

Thank you all for your support at the start of this difficult term; we very much appreciate your words of encouragement and hope that you are all well and staying safe.

School reopens tomorrow for key workers or online for remote learning for all other children. Please be assured that we aim to support all our families in continuing their learning wherever that may be.

The remote learning plan A is outlined on the policy which is on the school website. Please read this along with any other information sent by your class teacher. Should you have any further questions, please contact the class teacher.

We are very excited to start our home learning offer, but ask that parents bear with us this week as we introduce all the new learning platforms and new ways of working. Staff and children have explored these in school but I'm sure you'll agree it will may take us all a few tries to get this right.

**What next:**

Your class teacher will be in touch with a timetable for the day

Please read the remote learning policy

Ensure you have all your log ins

Switch onto TEAMS tomorrow morning, at the time specified by your teacher, to start to access remote learning at home

**Communication**

The children can contact staff throughout the lessons via see saw and feedback will be given as and when appropriate

Should the children need further support, parents may then use the staff email account for support also.

For communication other than about the home learning, please use the staff email address between 8am and 5.30 pm or email the admin email address out of these hours.

Please don't hesitate to contact the school office if you require any further support or advice.

Kind regards,  
Sarah Taylor
