Enrichment week.

From the parent survey recently undertaken and bearing in mind the financial pressures parents are under, we have decided to run the KS2 residential every two years. In September, instead of the residential, we would like to start off the school year with an enrichment week.

The proposed week would be based around the terms golden thread of confident communication, and we have several exciting workshops planned from the 6th – 9th September which include:

- Extended forest school session
- Workshop with upstage academy
- Comic artist workshop

More information will be sent regarding this at the start of September.

For this to go ahead, we would need a voluntary donation of £13 per child to cover these costs.

This has been loaded onto parent pay and if we receive enough donations by 25th August, we will be able to confirm this event.

Happy Summer!
