3. Barriers to future attainment (for pupils eligible for PP)			
Academic barriers (issues to be addressed in school, such as poor oral language skills)			
A.	In KS1 & KS2 some pupils (not just PP) require additional support in Reading, Writing and Maths to bring attainment and progress in line with expectations. Some pupils enter year groups in September having not achieved ARE for previous year group.COVID has had a further impact on this.		
B.	Some pupils eligible for pupil premium also have other factors, such as specific needs, SEMH and mobility, low emotional resilience and self-esteem		
C.	A large, four year group, mixed age class makes delivering the curriculum challenging		
Additional barriers (including issues which also require action outside school, such as low attendance rates)			

D,	An increase in the number of families in need has led to the need for increased support with emotional and social needs of pupils by facilitating attendance at after school clubs, residential trips and providing key workers and nurture support in school.

The three headings enable you to demonstrate how you are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies

i. Quality of curriculum implementation for all

Action	Intended outcome	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Restructure of classes so we run a three class structure each morning.	Children of all age groups are taught and learn effectively, making good progress from their starting points.	There are increased challenges for staff and pupils in whole key-stage/cross-phase classes. Smaller classes and a narrower age range of children will ensure teachers deliver high quality curriculum implementation and unpick any challenges for children more readily. 7. Review of expenditure

Previous Academic Year

2020/21

Intended outcome	Action	Estimated impact: Did you meet the success criteria? (Include impact on pupils not eligible for PP, if appropriate).	Lessons learned (and whether you will continue with this approach)	Cost
A) Improved social and emotional skills and self-esteem for all pupils including those eligible for pupil premium.	<ul style="list-style-type: none">Additional adult to work alongside children in class	<ul style="list-style-type: none">Teachers report that SEMH skills and self-esteem has improved for most pupils through the strategies used this year.	<ul style="list-style-type: none">Pupil progress meetings to be used to collate classroom observation data in written form to support verbal communicationsSEMH tool to be introducedPastoral mentor is a vital part of the school day and role needs prioritising to have a positive impact for PP and non-PP children.Pastoral mentor will be based where the need is within the school.	Pastoral lead time

<p>B) Higher rates of attainment in reading, writing and maths 'closing of the gap' between ARE and attainment for pupils eligible for pupil premium.</p>	<ul style="list-style-type: none"> • Personalised same-day interventions for reading • Targeted additional reading support from trained staff • Targeted support materials • Whole staff training for improving quality of English 	<ul style="list-style-type: none"> • of PP children achieved ARE in reading, writing and maths • Expected progress made for PP children: <ul style="list-style-type: none"> ○ Reading = 60% ○ Writing = 20% ○ Maths = 0% • Lego Therapy • 1st Class at number 	<ul style="list-style-type: none"> • Support provided within the classroom has not had as much impact due to COVID 19. • Reading support has had some impact on progress, less so in Maths and writing. • Support for Maths needs prioritising – consider small group tuition after school next year alongside Maths action plan. 	
<p>A) Improved social and emotional skills and self-esteem for all pupils including those eligible for pupil premium.</p>	<ul style="list-style-type: none"> • Breakfast club/after school to support readiness for the school day. • Identifying need checklist/procedure introduced to support teachers in identifying need. 	<ul style="list-style-type: none"> • Staff reported that children were more settled physically and mentally when beginning the day in the classroom. • Staff reported all homework was completed for those children who attended the after school sessions. • These children also enjoyed accessing enrichment clubs too and fitness tests show fitness has improved over the year. 	<ul style="list-style-type: none"> • To change the approach in engaging families with the breakfast club offer to maximise impact. • Review how to engage these children for breakfast club 	<p>Breakfast club leader Food – breakfast items</p>

<p>D) Attendance for all pupils will be above 95% across the academic year.</p>	<ul style="list-style-type: none"> Attendance at breakfast club with a meet and greet from nurture mentor 	<p>Percentage of PP pupils achieving 95% or above attendance = 89%</p> <p>Percentage of PP pupils not achieving 95% attendance = 11%</p> <ul style="list-style-type: none"> PP pupils who accessed the morning breakfast club achieved 96% or above 	<p>Training required to support pastoral/admin with using attendance procedure and engaging families</p> <p>Consider marketing of breakfast club offer to increase attendance consistency of PP children</p>
